SPONSORSHIP

Sponsorship of a feature is a great way to showcase your company as the leader in that particular area.

Sponsorship includes: Branding on each page of the feature, double page editorial opening the feature and up to 3 interactive links at the end of your article. These can lead to your website, brochures, videos etc...

We will also provide you with a PDF of the article to use in your wider marketing.

INTERACTIVE LINKS

At the end of your editorial we offer up to 3 interactive links to enable companies to provide our readers with more information. The links can lead to information such as website, white papers, brochures and videos.

Please note:

Prices shown are after the discount has been applied. Prices are subject to vat. Offer available on a first come, first served basis. Offer ends April 30th 2018. Packages can be used in either Wave & Tidal Energy Network magazine or Wind Energy Network magazine or split between both magazines where applicable.

We are also happy to create a bespoke marketing package to suit your requirements.
